INVESTMENT HIGHLIGHTS

Leaders in Clean Energy Transition – CU continues to bring innovative energy solutions to the markets in which we operate with a focus on energy transition and decarbonization. This includes projects in hydrogen, renewable natural gas and renewable electricity generation.

Accomplished Management Team – Our leaders' continued focus on operational excellence and transparent governance creates intergenerational value for our share owners.

Dividend Growth – CU has a 50-year track record of increasing common share dividends.

Strong, Investment Grade, Credit Rating – 'BBB+" rating by Standard & Poor's, an 'A' rating by DBRS Limited, and a 'A-' by Fitch.

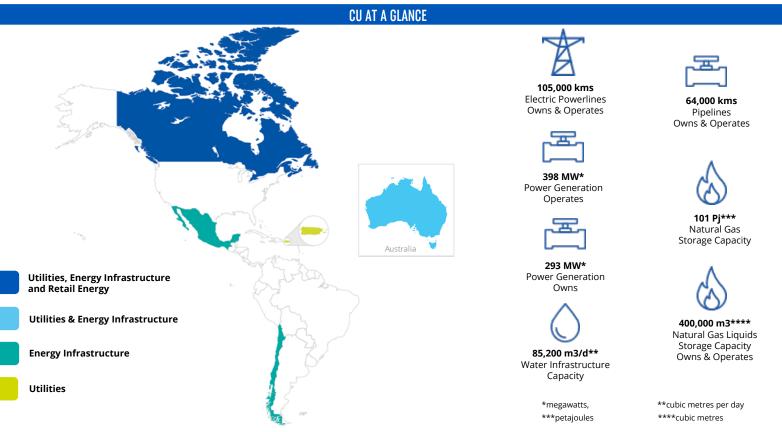

OPERATIONAL EXCELLENCE

Remote Energy Transition – CU is focused on helping remote communities reduce their reliance on diesel through a combination of renewable generation, battery storage, and integrated control systems. In 2021, through these initiatives, the communities of Ft. Chip & Old Crow reduced their diesel consumption by a combined 1.7 million liters.

ESG Leadership – CU will be a key contributor to ATCO achieving its net zero commitment by 2050, along with numerous other targets including the reduction of net operational GHG emissions to earnings intensity by 30% (Scope 1 & 2), and managing, owning, or developing over 1,000 MW of renewable energy.

Hydrogen – CU is positioning itself as a leader in the hydrogen space. We are simultaneously pursuing the production of clean hydrogen in both Canada and Australia. Additionally, our global utility businesses are piloting hydrogen blending of up to 20% within the existing natural gas system. This blending will help decarbonize customer energy in a cost-effective manner.

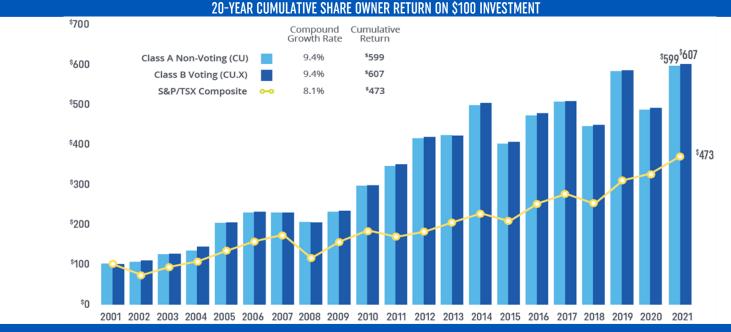

Corporate Values – CU focuses on our key pillars of agility, collaboration, caring, and integrity to protect our core assets and optimize new growth platforms.
